90% Recycled Steel

We're Making A Change

As a family and employee-owned company, we've never been afraid to go all in on big ideas, but this might be our boldest move yet.

In less than two years we've been able to start manufacturing 95% of our products from certified 90% post-consumer recycled 18/8 stainless steel.

The Why

Switching to recycled stainless steel has resulted in a:

50%
Reduction in Steel
Greenhouse Gas
Emissions

30%
Reduction in
Energy Demand

60-80%
Reduction in
Ecosystem Impacts

Stamp of Approval

We partnered with Intertek, a third-party quality assurance certifier whose certification seal will be on all packaging. In addition, a "90% Recycled Steel" icon will be engraved on each Klean Kanteen product made with certified recycled steel.

Better Business

We use our business as a force for good in everything we do—from the products we make to the nonprofit partnerships we forge, to the way we show up in our communities and the positive impact we have on the world.

Family and Employee-Owned

This unique structure pairs complete operational freedom and autonomy with a commitment to caring for our people and the environment. After one year of employment, all Klean employees are eligible to participate in Klean's Employee Stock Ownership Plan (ESOP). This progressive way of doing business is uniquely Klean and allows us to be uncompromising in using our business as a force for good.

Third-Party Verification

B Corp

Klean Kanteen is part of a growing movement of businesses known as B Corps that are committed to balancing purpose and profit. As a certified B Corp, we look for ways to create social and environmental benefit through our business. Every three years, an independent body scores our practices and performance against the B Corp standard for socially and environmentally responsible business.

1% for the Planet

We donate 1% of our sales to environmental nonprofits through 1% for the Planet. That means every time someone buys a Klean Kanteen product, we invest 1% of their purchase in organizations working hard to make the world a more resilient and sustainable place. To date, we have given away more than 3.6 million dollars in unrestricted funds.

Climate Neutral

Through the nonprofit Climate Neutral, Klean now publicly measures, reduces and offsets our carbon emissions. We are proud to be 100% carbon neutral in the manufacture and delivery of our products worldwide!

Co-owners, brother and sister
Jeff Cresswell and Michelle Kalberer

Our Printing Methods

Digital Printing

Your artwork can be placed on the front and back or wrap all the way around the Kanteen.

Using the CMYK digital printer allows you to tap into thousands of colors printed at once. This allows you to print photo like images in a single location or wrapped 360 degrees around the Kanteen.

Digital Printing Specs

Artwork

- Full-color (CMYK + varnish)
- Print larger surface area on products compared to screenprint or pad print. Full wrap 360 degree designs are possible.

Product Colors

- Brushed Stainless (no paint)
- Select stock colors
- Custom bottle colors are available at higher quantities. Contact your sales representative for more information.

Lead Time

- Four to six weeks after approval
- Brushed Stainless and select stock colors (US)

Accepted Files

- Vector: Ai, EPS, or PDF
- Raster: jpeg, TIF, png, or PDF

CMYK Multi-Color Print

Mockup of Digital Printing Full Wrap

Screen Printing

Your artwork can be placed on the front and back or wrap all the way around the Kanteen.

Screen printing yields stunning results for one and two color artwork and makes the most use of available print space with nearly full wrap capability.

Screen Printing Specs

Artwork

- Works best with artwork where tight registration is not needed
- One- or two-color artwork is best, but up to five colors available
- 8mm break is needed in artwork

Product Colors

- Brushed Stainless (no paint)
- Select stock colors
- Custom bottle colors are available at higher quantities. Contact your sales representative for more information.

Lead Time

- Two to three weeks after approval
- Brushed Stainless and select stock colors (US)

Accepted Files

- Vector: Ai, EPS, or PDF

Custom Pantone Colors

Mockup of Screen Printing Full Wrap

Pad Printing

Our pad printing process is best for detailed logos or artwork that requires tight registration. Pad printing is done in a square print area on each side and up to five colors on each side.

Pad Printing Specs

Artwork

- Up to five colors per side

Print Space

- **Bottles**
65mm x 65mm Front and Back
- **16oz Pints and 16oz and 20oz Tumblers**
65mm x 65mm Front and Back
- **10oz Pints**
55mm x 55mm Front and
45mm x 45mm Back
- **8oz Tumbler**
45mm x 45mm Front and
20mm x 45mm Back

Product Colors

- Brushed Stainless (no paint)
- Select stock colors

Lead Time

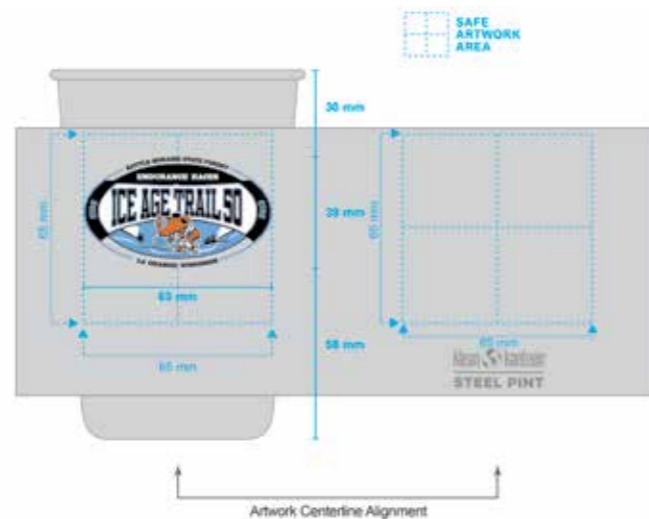

- Two to three weeks after approval
- Brushed Stainless and select stock colors (US)

Accepted Files

- Vector: Ai, EPS, or PDF

**Pad Printing
Tight Registration**

**Visual Mockup of
Multi-Color Pad Printing**

Laser Marking

We offer two beautiful, durable options for laser marking on our Kanteens and cups.

Laser Marking Specs

Artwork

- One-color artwork

Product Colors

- Brushed Stainless (no paint)
- Select stock colors

Lead Time

- Two to three weeks after approval
- Brushed Stainless and select stock colors (US)

Accepted Files

- Vector: Ai, EPS, or PDF

Laser Etching

**Laser
Klean Coat®
Removal**

Let's Be Partners

We love your brand—and ours! Every Co-Brand product proudly carries the Klean Kanteen logo on the back.

Front

Back

Artwork Requirements

Artwork Preparation

We prefer artwork to be scalable vector graphics designed in Adobe Illustrator CS3 or later.

Digital Printing

Artwork can be vector or raster and may be full-color (CMYK).

Print the full length of a product (up to 8.6") in a single print cycle.

Accepted Files

- Vector: Ai, EPS, or PDF
- Raster: jpeg, TIF, png, or PDF

Laser Marking, Screen and Pad Printing

For this kind of printing, artwork must be scalable vector graphics with specified Pantone color. Ai/EPS preferably as a PDF.

Don't have a vector? No worries, send the largest resolution file you have and we will have it vectored. Fees may apply.

Accepted Files

- Vector: Ai, EPS, or PDF

Colors

We select our ink colors from Pantone's swatch deck. Pantone is the worldwide language for communicating colors. If you're not familiar with Pantones, simply provide colors using standard color names (i.e., red, green, etc.). You may select custom colors from [Pantone's website](https://www.pantone.com).

Need Help?

We're happy to help you select the best printing style, with your artwork and product choice in mind.

Co-brand Terms and Conditions

- Co-Brand orders are pre-paid. Payment in full is due prior to production. Terms are available on a case by case basis.
- Minimum order requirements must be met and order total should be divisible by master case quantities.
- Klean Kanteen's co-brand logo remains on the reverse side of bottle or cup near the bottom.
- All promotional literature must state that your bottles are co-branded with Klean Kanteen (with trademark designation).
- All bottles will be provided with a hangtag and care and use insert that must remain on bottles if used for resale.
- Klean Kanteen may use your Co-Brand product imagery and logos in marketing materials, including but not limited to: advertising, social media, web, tradeshow, and retail tools. If you would like to "opt out" for any reason please notify Klean Kanteen in writing at time of placing order.

NEW!

VACUUM INSULATION

Chip Resistant

Leakproof

BPA Free

TKWide keeps drinks hotter or colder than ever before thanks to the revolutionary TK Closure™ internal thread design and Climate Lock™ double-wall vacuum insulation. The 2022 line features brand new colorways, all with chip-resistant Klean Coat® finishes. Five compatible, low-profile caps offer a variety of sipping styles. The Café Cap and new Twist Cap are now available in both Black and Taupe.

Features

- Made from certified 90% post-consumer recycled 18/8 stainless steel
- New colors and caps
- TK Closure internal thread design on bottles pairs with TKWide Caps to increase thermal performance
- Climate Lock double-wall vacuum insulation keeps contents hot or cold for hours
- Chip-resistant Klean Coat® finish (stainless excluded)
- Wide opening fits ice; fills and pours easily
- Won't retain or impart flavors
- Slim design fits in most cup holders
- Dishwasher safe; bottles with graphic treatments should be hand washed to preserve detail
- BPA free

VACUUM INSULATION

Leakproof

Easy Clean

BPA Free

We took an old favorite and made it even more lovable. Our Climate Lock™ vacuum insulated TKCanister now includes TK Closure™ internal thread design for increased thermal performance. We also updated the lid and rounded the base to make it more bowl-like. The leakproof lid locks into place with a quick quarter turn and sports an easy-carry swivel loop.

Features

- TK Closure internal thread design increases thermal performance
- Climate Lock double-wall vacuum insulation keeps contents hot or cold for hours
- Leakproof lid locks into place with just a quarter turn
- Stackable, elegant design
- Wide-mouth design for easy eating and filling
- Easy-carry swivel loop
- 18/8 food-grade stainless steel and electro polished interiors don't retain or impart flavors

Leakproof

BPA Free

Designed to last a lifetime, these minimalist bottles have kept people hydrated and happy for years. Our vacuum insulated Classic is the solution for both cold and hot beverages on the go. Our new Pour-Through Cap pours from all sides, locks in freshness and prevents oxygenation and thermal loss.

Features

- Made from 90% post-consumer recycled 18/8 stainless steel
- 25oz volume holds a standard 750ml bottle of wine or spirits
- 20oz size features re-designed Loop Cap with easy-carry swivel loop in black or taupe
- Climate Lock™ double-wall vacuum insulation keeps contents hot or cold for hours
- Chip-resistant Klean Coat® finish (stainless excluded)
- Won't retain or impart flavors
- Leakproof
- Opening fits ice; fills and pours easily
- Rounded lip for easy drinking
- BPA free
- Dishwasher safe. Bottles with graphic treatments should be hand washed to preserve detail
