RESPONSIBILITY

WE ARE COMMITTED TO OUR PLANET, OUR ENVIRONMENT, OUR COMMUNITY, AND OUR CUSTOMERS

Our mission is simple, "Do Better". We apply this to everything we do. We strive to lower our carbon footprint by constantly evaluating the way we do things from start to finish, from product, procedure and policy. We are steadfast in our efforts to foster environmental stewardship and have been doing so for the past 36 years. We love the outdoors and invest in sustainable development projects by being a part of international water programs and regenerative forestry. We also strive to inspire this love for future generations by sponsoring children's recreational programs. We can do all of this because we build thoughtfully designed and durable products that are made to last.

OUR COMMITMENT

At GSI Outdoors we are committed to the practice of sustainability and reduction of our carbon footprint. We work only with factories that meet the highest mandates for social and environmental practices in the country of origin. Our products meet the highest safety standards in North America and Europe.

We are committed to using as many recyclable raw materials in the production of our products as possible with a goal of converting 500,000 units of virgin material per year to recycled materials used in the construction of the soft goods portion of an item. On the rare occasion that something breaks, we stock a vast selection of replacement components to extend the life of an item. We continually audit our shipping and packaging practices to ensure minimal use of materials, while maintaining product integrity during transit.

GSI Outdoors joined prAna's Responsible Packaging Movement in 2020. By joining we have pledged to removing plastics and virgin/non-FSC paper packaging from our product lines. In doing so we have eliminated 373,355 polybags in 2021 and have set numerous goals surrounding our packaging including reducing it by 30%.

OUR IMPACT

We've worked with hundreds of organizations over the past 36 years in efforts to get kids in the outdoors

Supporting the planting of 6,000 mangrove trees in Watamu, Kenya

We are stewards of the outdoors and work with organizations to help preserve our lands

We work closely with different organizations to increase diversity in the outdoors

We've helped establish a sustainable drinking water source for multiple Zambian communities

1% of the Cathole Trowel sales benefits the Leave No Trace Center for Outdoor Ethics.

ECO SOLUTIONS BY DESIGN

Fitting the Eco puzzle pieces together is our pledge, responsibility, challenge, and commitment. Products in the GSI Outdoors eco line lead the way when it comes to materials, manufacturing, and distribution. We are committed to continuing to innovate and solving this puzzle.

nform Crossover

What The perfect blend of size, weight and cooking performance

Who Backpackers / Car Campers / Kayakers / Canoeists

Why For far too long, "gourmet meals" and "camping" have seemed mutually-exclusive, leaving backcountry gourmets feeling overlooked, under-whelmed and terribly hungry. For these customers, the gear required to make that perfect recipe has always been riddled with frustrating trade-offs and compromises. The nFORM Crossover System represents a unique solution of ingenious tableware and cookware items designed to finally meet the needs of those demanding customers seeking to enjoy great outdoor meals without the heft of their home cookware. What's more, the system's modular design can be configured for backpacking, camping or anything in-between with the exact pieces required for 2-4 people to enjoy a gourmet meal on the go.

What The solution for high performance and space savings

Who Backpackers / Car Campers / Overlanders

Why These lightweight and compactable non-stick pots are combined with a hyper-efficient heat sink that offers 30% faster boiling times and 30% less fuel consumption. This cookpot series uses a fraction of the fuel for cooking and water for clean-up than conventional pots, leaving a smaller ecological footprint. The pots collapse to a fraction of their functional sizes for efficiency in packing yet are sturdy and durable when its time to cook. The series also comes with collapsible cups and bowls with solid bases and rims for ease of use and extended durability.

Printing Methods + Pricing

Available printing method is dependent upon product. Add printing charge listed below to base price of product. Allow lead time of 10-14 days after final approval of artwork.

- 102 + pieces (MINIMUM ORDER) add \$1.25
- 240 + pieces add \$1.00
- 504 + pieces add \$0.75

CHEMICAL ETCHING

- 48 + pieces. (MINIMUM ORDER) add \$2.00

LASER ETCHING

- 48 + pieces. (MINIMUM ORDER) add \$2.00

Artwork Requirements

All artwork should be vector-based and created in one of the following programs (Adobe Illustrator, Corel Draw). Artwork should be submitted in .ai or .eps file formats. Non-vector formats including, but not limited to: .jpg, .tiff, .doc, and .bmp are not acceptable.

The file should be high resolution and black and white. No gradients please. If you are unable to provide vector based artwork we can aid you in the translation of your nonconforming files.

Reformatting of files may incur a fee based upon time required to prepare artwork billed at a rate of \$50 per hour. Prior to press, a digital proof will be provided for your approval

Standard Terms and Conditions

TERMS ARE NET 30 days upon receipt of a signed credit application and approval of your good credit.

Invoices not paid within 30 days of the due date are subject to a service charge of 1-1/2% interest per month.

C.O.D. shipments on all accounts until credit is approved.

CUSTOMER TERMS: Any terms & conditions of customers including but not limited to EDI transactions may result in an extra charge unit based on cost to comply with your requirements.

RETURN OF MERCHANDISE will be accepted ONLY with a RETURN AUTHORIZATION. No shipping or delivery claims will be accepted unless made within 10 days after receipt of merchandise. RETURN AUTHORIZATION # must appear on all boxes.

BROKEN CASE PACKS will be levied a 20% surcharge.

SPECIAL LABELING CHARGES: 20 cents per unit with your stickers supplied.

All prices F.O.B. Spokane, WA unless otherwise noted. Prices are subject to change without notice. E & OE.

MINIMUM ORDER \$100

Terms + Conditions

PERIODIC UPDATES to products may not be depicted in this catalog. Contact GSI customer service if there are any concerns.

GSI does not ship to any sanctioned countries, nor does it allow any of its goods/products to be shipped/delivered/forwarded by their customers to a sanctioned country.

TERMS ARE NET 30 days upon receipt of a signed credit application and approval of your good credit.

Invoices not paid within 30 days of the due date are subject to a service charge of 1-1/2% interest per month.

Credit Card or C.O.D. shipments on all accounts until credit is approved.

CUSTOMER TERMS- Any terms & conditions of customers including but not limited to EDI transactions may result in an extra charge per unit based on cost to comply with your requirements.

RETURN OF MERCHANDISE will be accepted ONLY with an RA. No shipping or delivery claims will be accepted unless made within 10 days after receipt of merchandise. RA# must appear on all boxes.

BROKEN CASE PACKS will be levied a 20% surcharge. SPECIAL LABELING CHARGES- 20 cents per unit with your stickers supplied.

All prices F.O.B. Spokane, WA unless otherwise noted. Prices are subject to change without notice. E & OE.

BACKORDERS are automatically shipped when they total over \$100, within 60 days of the original ship date. Unless you specify cancellation, you will be notified on backorders under \$100 to confirm shipment. If you have requested a specific cancel date, we will follow your instructions.
